		<b>Teton</b>	<b>+ 364</b>

**Release 7 contains over 61 million records**

# Good News

- Matt recently completed review and provided metadata for Release 7
  - After a final polish, the data was loaded to the NAD site and is available now for download.
- We are currently working with ESRI to provide the NAD as a service
  - The data will be available to search, zoom, and download
  - Steve will have more announcements and updates about this soon
